HANDMADE WOOD  
DESIGN AND MADE  
IN NICARAGUA

Katia focuses on incorporating raw materials into her designs in innovative but sustainable ways. She works with local artisans in her own workshop whose craft has been passed down through generations.

# ABOUT US

## DCO CREATIVE DESIGN

DCO Creative Design founded by Designer Katia Cordova is involved in crafting designs to the highest quality, desired luxury and ultimate comfort. Influences from Mesoamerican art and culture is abundant in her work and speaks to the creativity and longevity of her pieces.

## DESIGN

Mixing old craftsman methods with contemporary designs combined with the one purpose, create unique and exclusive pieces.

## CRAFTSMENSHIP

From our hands to your home, DCO Creative Design delivers handcrafted luxury furnishings that will be enjoyed and appreciated for many years to come.

## PORTFOLIO

The successful reception of her designs allowed her to expand business and export to the United States. She has worked on international as well as local projects like furnishing Carlos Pellas' luxury resort Mukul with the collaboration of renowned interior designer Paul Deusing.

# OCEAN STONE TABLE

The design Ocean stone table is an original piece, designed by Katia Cordova in 2009, inspired by the Pacific coast of Nicaragua, mixing in one piece the diverse textures, materials and riches of our culture.

# Ocean Stone Table

In 2012 Interior Designer, Paul Duesing, Dallas, came to our store and recognized the authenticity and design of the piece and decides to place it as one of the main elements in the interior design of the Mukul Resort, Guacalito de la Isla, Nicaragua.

This piece is made 100% by hand by the DCO Creative team, It is made of male cedar wood with a natural wash finish it also has a careful selection of sea stones that are glued by hand in its entirety.

DCO Creative owns its workshop in which artisans from Masaya, Nicaragua, who together with Katia Cordova, develop authentic pieces intended for various projects in the country.

# Designs

# ARMADILLO TEAK CONSOLE

The intertwined teak pieces form a set of overtones that make us feel in contact with nature, creating a furniture with presence and rich in texture details.

## Antal chair

Mid Century design made with solid wood and 100% Nicaraguan leather, creating a piece of pure and simple lines that adapt to your own style.

## Millan Armchair

It brings the beauty of natural wood and its design is incorporated in any contemporary environment, being an exquisite piece, elegant and comfortable.

## Pacific Bar Chair

Solid wood piece with interlaced leather, Mid Century style that brings a subtle elegance and complements the modern and contemporary style.

# IRELAND TABLE

Inspired by hexagonal rock formations from northern Ireland, it expresses in a clean way the textures of the wood and creates a complete handmade piece in a contemporary and geometric way.

## Barcelona Chair

Ideal to set a space for vintage or contemporary design. Inspired by Danish modern design made with a solid teak wood frame with intertwined leather strips that provide the perfect function to relax and enjoy a piece rich in design and texture.

# Barcelona Chair

The Barcelona Chair has been exported to the United States.

## Rocking chair

The design of a rocking chair goes hand in hand with comfort.  
This mid-century design sets any contemporary space, giving color and a different touch.

## Amorphous table

The mix of wild teak with its vintage-legged design creates a rustic piece that catches your senses in contact with the force of nature being the essence of the place.

## Cot with leather and teak

Piece of rustic and at the same time exotic Mesoamerican cultural heritage that communicates history, elaborated in leather ramrod using a craft technique for 100 years.

## Equilateral Side table

Exquisite table for its geometric shapes and simple lines that give spaces a fresh, modern and functional touch.

# Nekupe Mirror

The mixture of almost 1,000 pieces of teak and textures in different directions subtly describe various geometric shapes that help create a curious, simple and attractive visual effect.

# Projects

Claro de Luna, Guacalito de la Isla

# Venus house, Managua

Our designs always have some premises, such as exclusivity, sustainability, elegance and functionality. An a very important aspect, that the design be always timeless.

DCO Lounge, Domus Lucia Residence

## Solemio, Guacalito de la Isla

Katia also incorporates natural fibers like rattan, rope, iron, clay, and natural stones to unique pieces that reflect the beauty of Nicaragua.

## WATERFALL LIGHT

Mixing old craftsman methods with contemporary designs combined with the one purpose, create unique and exclusive pieces.

## TEAK CONCAVE LENS

More than an accessory is a geometric sculpture, full of texture and lines, a mixture of metal and wood made 100% by hand that creates a piece with presence and personality in any space.

Mukul Resort, Guacalito de la Isla

Esmeralda House, San Juan del Sur

Born in Nicaragua, a country full of natural wealth and cultural diversity that are part of her life, inspiration and passion for design and creativity. She uses authentic materials and studies the textures and materials such as wood, leather, metal, natural fibers, stone and glass, creating pieces with vintage influence, contemporary and modern style.

Her passion for design has allowed her to work on projects with architects, interior designers, important boutique hotels in the country, like Mukul Beach Resort Golf & Spa, Nekupe Resort, Villas in Guacalito de la Isla and interior design projects in the pacific coast of Nicaragua.

Since 2013, it has been able to export authentic pieces to customers in the United States.

Katia owns and manages her design studio and shop and donates a percentage of profits to the Dennis Martinez Foundation which provides education to native children of Isla Zapatera.
